"U. M."—Unsound mind.

"H. R."—Has records, or private memoranda.

"A. G. R."—Adjutant General's Report

"U. S. Ex. S." or "Ex. S."—U. S. Examining Surgeon for Pension Office.

"To Jan'y, '64," in column of remarks, means the time at which the Surgeon left the organization, either by resignation, discharge, or transfer.

"From Feb'y, '62," means the time that Surgeon was commissioned to the rank that appears opposite his name. A Surgeon may have been commissioned in January, 1862, as Assistant Surgeon, and promoted to Surgeon in March, 1864; the last-named date would appear opposite his name as Surgeon from "March, 1864," whereas he may have been serving in the same organization as Assistant Surgeon for two years or more prior to that date.
